14. [] LIAISON Called Randal Teague, in the office of Representative Jack Kemp (R., N. Y.), and asked him about the status of the request from some members for information on U.S. SIGINT programs. Teague said that the members would not be able to come to the Agency for a breakfast session and that if the briefing was to be done, it would have to be on the Hill. I told him that there was no problem with this, that we could do it in somebody's office. He is to call me back.

15. [] LIAISON Called Charles Snodgrass, staff of the House Appropriations Committee, and told him that somebody would be up tomorrow at 10:00 a.m. to discuss the comments General Aaron made on our report entitled, "1973 Arab-Israeli War, Overview of the Conflict."

Regarding the request for DDO material that Snodgrass had made a while back, he said he wanted the information by 12:00 noon tomorrow or not until after the mark up on 5 May. He said he would advise the Subcommittee that the material he requested was not provided and recommend that the Subcommittee make a cut in the DDO's personnel funds.
